A symbol of Quality and  
Confidence since 1990

---

## WHO ARE WE?

---

Established in 1990, Kirti & Company has grown from humble beginnings into a trusted name in the packaging industry. What began with a focus on Adhesive Tapes has expanded over the decades, evolved into a diverse and multi-product packaging portfolio—designed to meet the dynamic needs of modern businesses.

Driven by consistency, quality and a deep understanding of market needs, we have become a one-stop solution for all packaging requirements. Our expertise lies in offering packaging products that are tailored to meet the evolving demands of businesses across industries—ensuring reliable performance, high durability and seamless integration into client operations.

With decades of experience and a sharp eye on innovation, we've built strong supply capabilities and infrastructure that allow us to control product quality and delivery timelines with precision.

Our longstanding customer relationships are a testament to the trust we've earned through transparency, reliability and product consistency. At Kirti & Company, we don't just supply packaging, we deliver solutions that support scale, performance and efficiency.

QUALITY. **CONFIDENCE.** LEGACY

# MISSION | VISION

---

## Mission Statement

To deliver high-quality, reliable, and innovative packaging solutions that empower businesses to operate efficiently and scale confidently—through deep product expertise, consistent service and customer-first thinking.

## Vision Statement

To be recognized as the most trusted name in the packaging industry—offering a comprehensive product range, unmatched service standards and the agility to evolve with our customer's needs.

## WHAT DO WE DO?

At Kirti & Company, we are a multi product packaging partner that specializes in delivering a wide range of high quality packaging solutions under one roof.

Our strength lies in delivering consistent quality, dependable supply, and a deep understanding of both traditional and evolving packaging needs. Whether your requirement is bulk, customized, or time-sensitive—we're committed to being your trusted source for packaging solutions that perform.

# Our Product Offering

## Branding & Visual Packaging Solutions

### Holograms, Self-Adhesive and Barcoding Labels

We produce high-quality labels for branding, security and tracking—ranging from barcode labels with holograms to security void and in-mould labels. Our printing facility ensures precision and scalability for diverse industries.

### Flexible Packaging (Shrink Sleeves & Films)

We provide shrink sleeves and films made of PVC, PET and OPS that conform to any container shape. These high-clarity vividly printed materials offer both functional and shelf appeal.

# Our Product Offering

## Industrial Protection & Secure Transit

### Adhesive Tapes

We manufacture high-performance plain and printed BOPP adhesive tapes under popular brands like Classic and Captain. Engineered for strength and adhesion, our tapes also include Masking, Filament, and speciality variants.

### PP Strapping / Box Straps

Our box strapping rolls, available in multiple widths and strengths, provide high-tensile protection for bundled goods. Suitable for manual and automatic applications across industries.

### PP/HDPE Bags, Rolls & Bulk Bags

These heavy-duty bags are ideal for storing and transporting grains, chemicals, and bulk items. Designed for reusability and durability, they serve agriculture, construction and industrial sectors.
